

REMARKS

This application is a division of Appl. Ser. No. 09/873,713, filed June 4, 2001, and is being filed under 37 C.F.R. § 1.53(b). Claims 1-19 from the original application are cancelled and new claims 20-29 are presented in this response. After the amendment is entered, claims 20-29 will remain for consideration. A replacement abstract has been provided as was done in the parent application.

Applicants include with this response, for the Examiner's convenience, a copy of the Information Disclosure Statement and the Notice of References Cited from the parent case. Copies of the references have not been included, but Applicants will gladly supply them upon request. Applicants respectfully ask the Examiner to consider the cited references.

Respectfully submitted,

Michael W. Lynch et al.
